

Income Eligibility for Head Start Programs

Head Start is a federally funded, income-based program.

Families with children ages birth to age 5 and pregnant individuals may be eligible for Head Start if ONE of the following applies to you or your immediate family:

- Currently receive **Reach Up**
- Currently receive **3SquaresVT / SNAP benefits**
- Currently receive **Supplemental Security Income (SSI)**
- Are currently **experiencing homelessness**
- Are currently in **foster care** (the child who is applying for enrollment in the program)
- Your **annual income is at or less than the amount listed below** for the number of people in your family

Note:

Champlain Valley Head Start enrolls a limited number of families who do not meet the criteria listed.

Please contact us with questions or to discuss your situation.
